

M.R.I. Services Available

State-of-the art Magnetic Resonance Imaging is on of many highly advanced patient services available at Pineville Community Hospital.

The Magnetom Essenza Scanner combines a very short 60 cm bore magnet with powerful 1.5T image quality for a less intimidating, more comfortable MRI experience, shorter exams and higher resolution.

Appointments may be scheduled by calling (606) 337-4340 or (606) 337-4294.
